Product Specifications
• Product SKU: N9
• Product Size: 420 x 320 x 45mm
• Product Weight: 1040g
• Fan Dimension: 130 x 130 x 15mm (2pcs)
• Fan Speed: 1200±10%RPM
• Rated Voltage: 5V DC
• Material: Metal Mesh + ABS Plastic
• Air Flow: 28.9CFM
• Noise Level: <18.32DB(A)
• Rated Current: 0.53±10%A
• Power Input: 2.65±10%W
• Life: 10,000hrs

Package Contents
1 x TeckNet N9 Laptop Cooling Stand
1 x USB cable
1 x User manual
1 x Warranty card

Product Features
• 2x 130mm display cooling fans.
• Built-in 2-port USB 2.0 hub.
• Output current is 0.53A (not suitable for charging mobile phones or iPads).
• Ergonomically designed with a gentle slope to improve typing comfort and reduce wrist strain.
• Optimal cooling performance with two 130mm, near-silent fans and a grooved metal cooling surface.
• Anti-skid base provides extra stability on almost any surface.
• Strong construction accommodates 12” - 17” wide screen laptops.
Intelligent LCD Panel indicators and functions

1. The LCD panel appearance when the unit is plugged in (lasts about 1-2 secs): The fans will not startup.

2. Press the power “On” button. The LCD panel will show “AUTO”, indicating that the fan speed will automatically adjust depending on the temperature. The fan speed “Indicator Bars” will show the fan speed. As the fans adjust to the temperature changes, the Indicator Bars will adjust accordingly. The green light will turn on.

3. Press the power button again and the fan will switch to Manual Mode. The “AUTO” sign will disappear and the “Thumbs Up” sign will appear. A Blue light next to the power button will turn on and the green light will turn off. The fan sign will change to indicate Manual Mode. If the Indicator Bars are in the mid-position, this means the fan speed is medium.

Note:
There are 9 speed levels. The fan speed will increase when the fan accelerate button is pressed, the Indicator Bar will also increase by a single unit. The fan speed will decrease when the decelerate button is pressed. The Indicator Bar will also decrease by a single unit.

4. Pressing the Power Button again will turn off the TeckNet N9, the fans will stop and the LCD panel will turn off.
5. Button functions scroll through the levels one-way.

**Connecting and Configuration**

This Cooling Stand includes a 2-port USB 2.0 hub and a USB cable.

1. Insert the USB connector end of the cable into your Laptop’s USB port.
2. Connect the other end of the USB cable into the Cooling Stand’s USB port.

The USB connection provides both the power needed to run the cooling fans on the stand and data connection for use with other devices, such as external keyboards, mice, USB lights, USB fans, etc.

**Ergonomic Guidelines:**

Thoughtful configuration of your workstation may help relieve back, shoulder, and neck strain caused by working long hours on a notebook computer.

1. The N9 Cooling Stand was designed for use on a desktop but it works just as well on your lap, providing a portable, efficient cooling solution.
2. Select a viewing distance to the screen between about 12-17" depending on the screen and character size.
3. Angle the screen so that it is perpendicular to your line of sight.
4. Position the top of the screen at eye height or just below (no more than 2" below).

**IMPORTANT SAFETY INSTRUCTIONS - CAREFULLY FOLLOW THESE INSTRUCTIONS.**

1. SAVE THESE INSTRUCTIONS - This sheet contains important safety and operating instructions.
2. Before using the product, read all instructions and caution markings on the product, accessories and device using our product.
3. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
4. Children should be supervised to ensure that they do not play with the appliance.
5. Keep the product away from fire or explosion may occur.
6. For indoor use only. Do not expose to rain, water, excess moisture or snow.
7. Do not place product in or near inflammable, explosive or hazardous object.
8. Do not place in or near water, rain, excess moisture or extreme heat.
9. Do not operate product with damaged cord or plug.
10. Do not operate product if it has been damaged in any way.
11. Do not disassemble the product. Disassembly may result in a risk of safety hazards.
12. Do not throw or shake the product.
13. To reduce the risk of electric shock, unplug the product from the power supply when not in use or switch off the power supply.

**Limited 18-Month Warranty:**

**What this warranty covers.**
Shenzhen Unchain Technology Co., LTD. (Manufacturer: “Unchain”) warrants to the original purchaser of this TeckNet product that the product shall be free of defects in design, assembly, material, or workmanship.

**What the period of coverage is.**
Unchain warrants the TeckNet product for 18 Months.

**What will we do to correct problems?**
Unchain will repair or replace, at its option, any defective product free of charge (except for shipping charges for the product).

**What is not covered by this warranty?**
All above warranties are null and void if the TeckNet product is not provided to Unchain for inspection upon Unchain’s request at the sole expense of the purchaser, or if Unchain determines that the TeckNet product has been improperly installed, altered in any way, or tampered with. The TeckNet Product Warranty does not protect against acts of God such as flood, earthquake, lightning, war, vandalism, theft, normal-use wear and tear, erosion, depletion, obsolescence, abuse, damage due to low voltage disturbances (i.e. brownouts or sags), non-authorized program, or system equipment modification or alteration.

**How to claim the warranty**
Please contact retailers or visit TeckNet website www.tecknet.co.uk for more information.

**Disclaimer**
Every effort has been made to ensure that the information and procedures in this guide are accurate and complete, no liability can be accepted for any errors or omissions and we reserve the right to make any changes without further notice to any products mentioned herein.

**Warranty**
We warrant that products purchased from authorised distributors will meet the applicable product specifications and be free from all defects in design, assembly, materials and workmanship. Please contact retailers, or visit our website for more information about the product.
